THE WORLD'S FINEST APPLES

Only important things
remain as islands of memory . . .
a good friend,
a teacher,
a lesson well-learned.
Soon it becomes apparent
that mere knowledge
is not enough.
The search broadens.
We reach out
to those around us,
hoping to find
friendship,
acceptance,
and love.

Debbie,
How are you!
Hope your have a

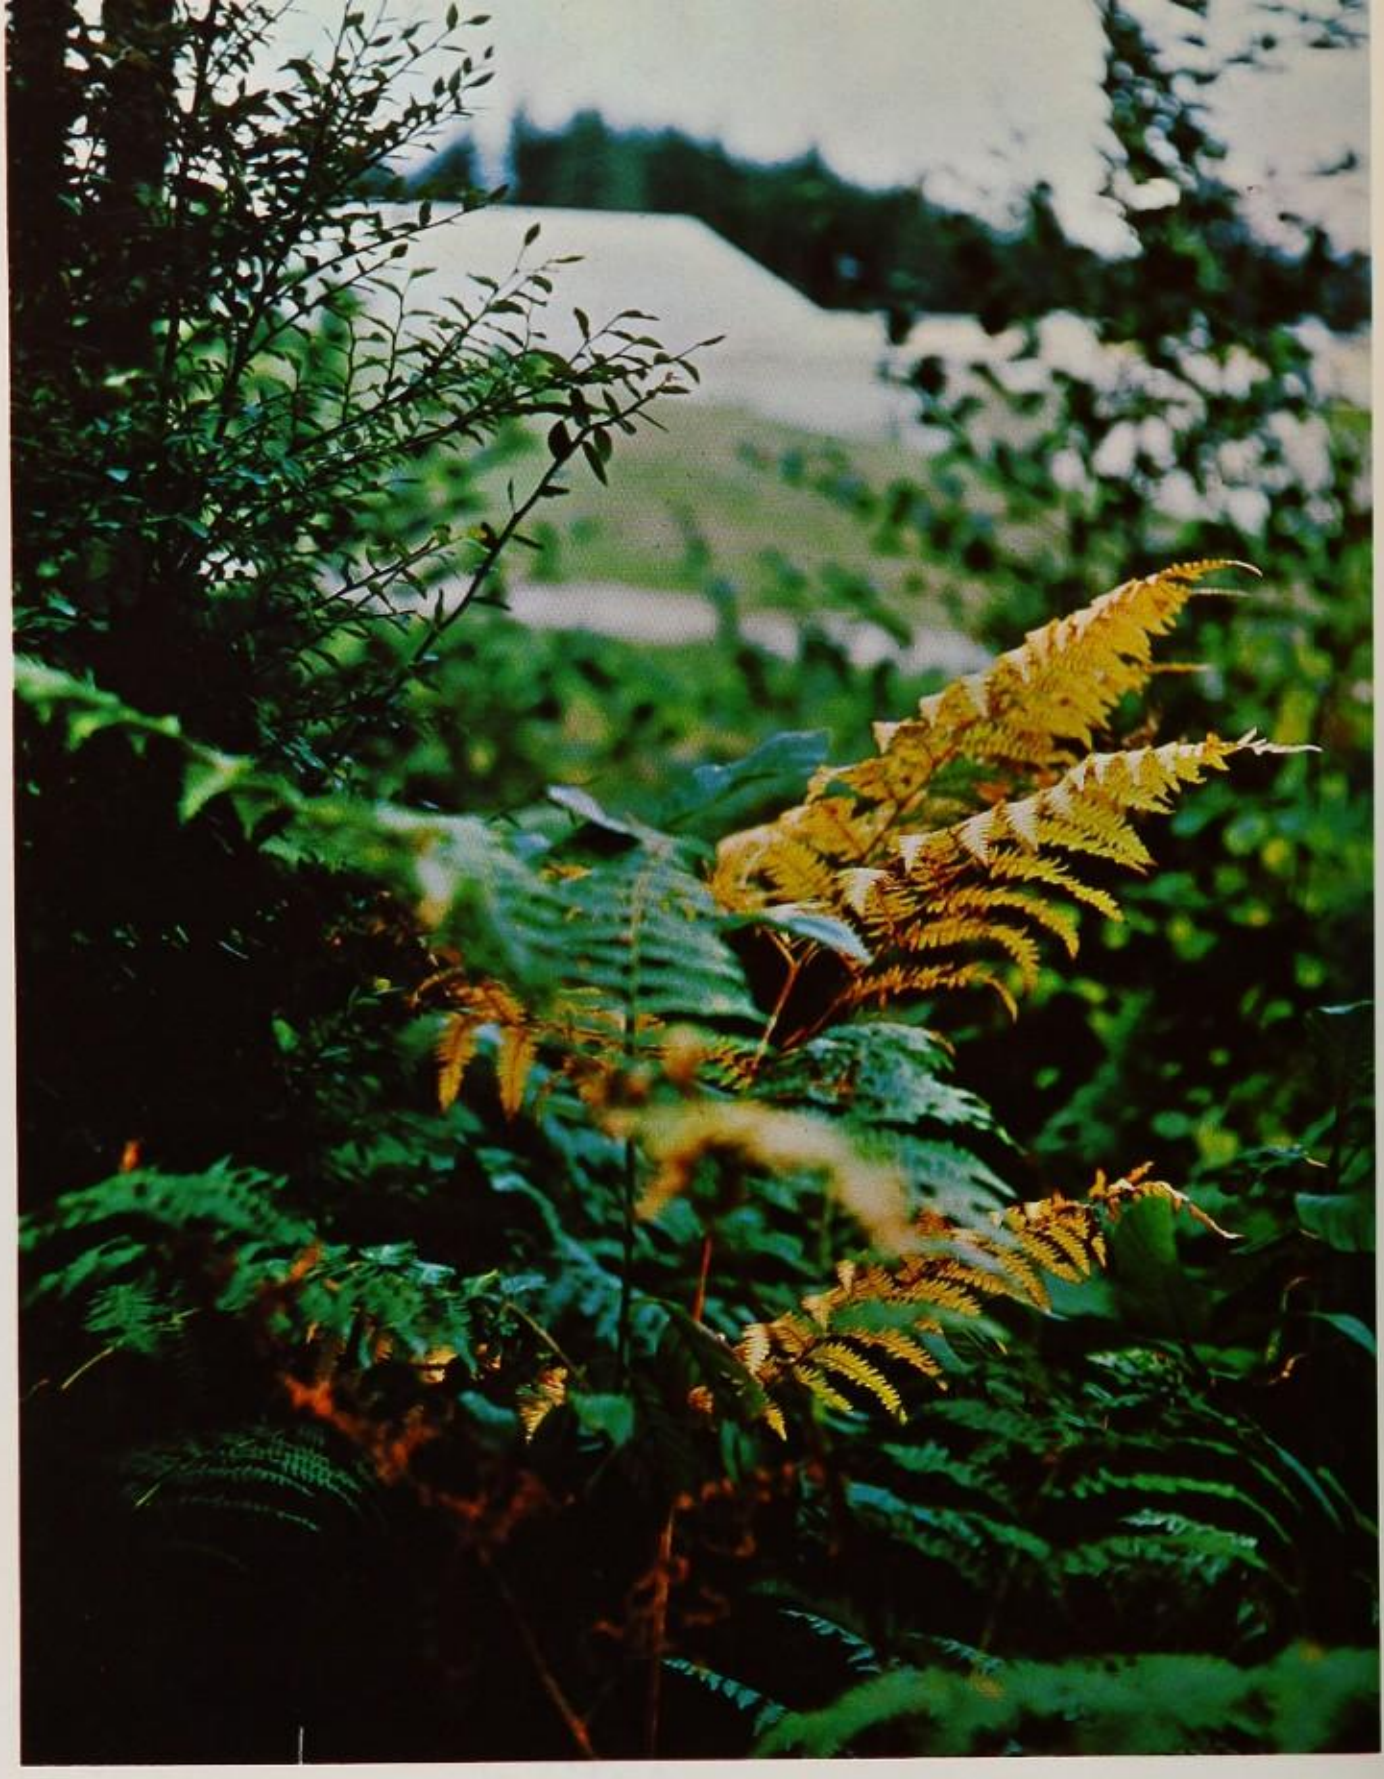
As we clasp hands
with one another,
in friendship,
to share
what we have;
so,
through these leaders,
we clasp hands
with all mankind,
across the deserts,
the oceans,
and the ages of time.
They are the links
of the chains
that bind
the years together.
Their light shines
that we may see
and follow.



Dear Debbie,
I wish you all the Luck in the World and Best Wishes for a Sophomore, you're pretty nice, Real nice! (corny?) Oh, well,
Love from Evie Joel

There will be leaders
in this search,
as well as followers.
We must not
allow
that light to shine
in vain.
We must never
stop reaching.
One day
we will take
their places.
It will be ours
to bear the torch;
ours to lead
that eternal
search.

Civil Rights continued to be

The World Is Full Of Good, They Affect All, Even

The events of the past year have been characterized by violence and unrest. The people of this generation have seen history in the making. Nothing is above reproach any longer. Everywhere institutions, ideas, and authority are being questioned.

Local Events

Tom Poll, age 13, questioned the right of the Northshore School District to legislate the length of his hair. He took his plea to court, where the rule was, students must obey laws of the school.

Elsewhere in our state, Indian Chief Bob Satiacum led his people in numerous "fish-ins" to test state conservation laws vs. early treaties. Comedian Dick Gregory and wife, and actor Marlon Brando made headlines by joining the battle.

Bothell High's principal, Mr. Arne Strand, was one of 20 educators chosen to tour the Soviet Union and Europe, to meet and confer with other educators, March 27 to April 20.

A new look appeared at the BHS main entrance in the form of a mural of the school mascot, painted by Sue Godfrey.

National Events

Civil rights problems are far from settled. More rioting, more accusations of discrimination, and mounting tension marked the year.

As a result of Senate investigations, many members of the Ku Klux Klan have resigned, some even testifying against their former "brothers."

The U.S. space program took great strides forward in this past year. Gemini V—a walk in space. Gemini VI and VII—the first space rendezvous. Gemini VIII—first space docking, then a successful return to earth despite technical failures causing orbit cancellation.

The President of the United States,
Lyndon B. Johnson.

Mr. Srand left the Sea-Tac airport March 27.

Astronauts James Lovell and Frank Borman of the Dec. 4-18 Gemini 7 space rendezvous.

Gemini 7 spent 15 days orbiting the earth.

Events; Bad, Or Otherwise. A High School.

For President Johnson, the past year has been productive, if trying. Through his efforts, medical care for the aged was instituted, civil rights legislation was extended, federal aid to education expanded, an active anti-poverty program initiated, and higher minimum wages established — accompanied by rise in cost-of-living indices to all-time highs.

International Events

Defense Secretary Robert S. MacNamara estimated that Communist China would be able to make nuclear attacks 500-700 miles from its borders within two or three years.

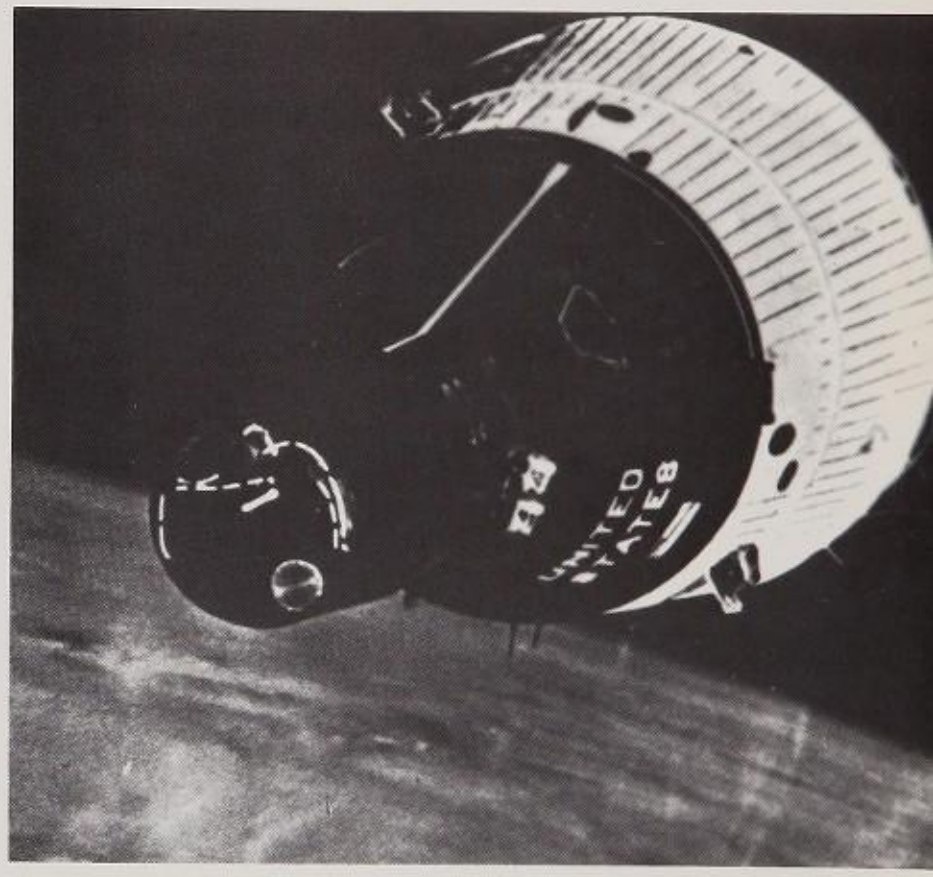
In Indonesia, a new anti-communist military regime came into power, with 16 top aides immediately removed and others scheduled to follow.

Ousted Ghananian President Kwame Nkrumah said in Peking that he was still head of his government and intended to "soon" return to Ghana to reassume full command of his country.

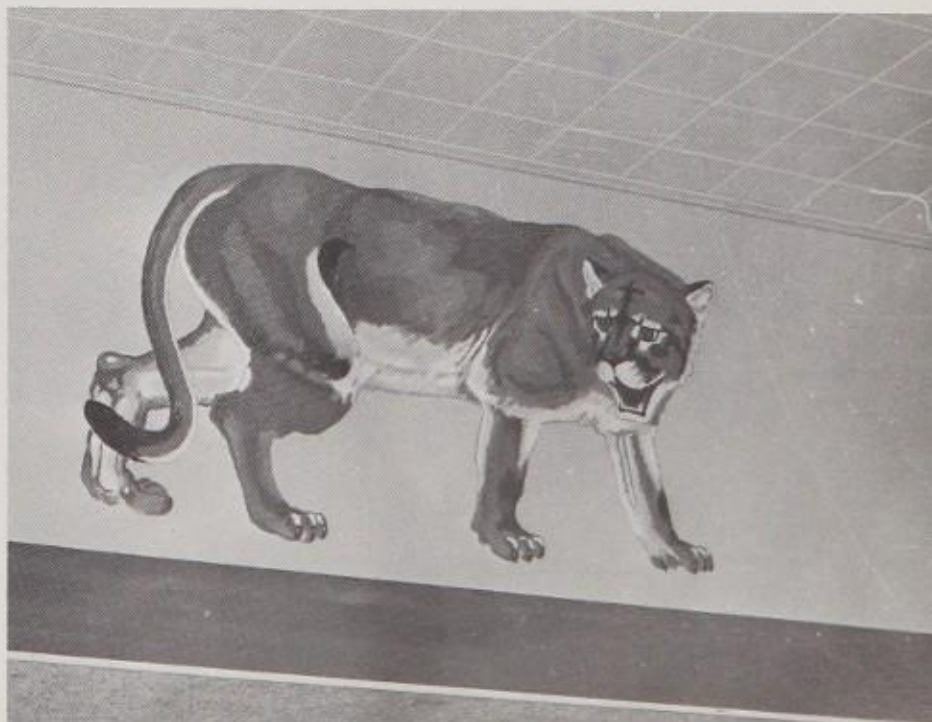
After signing a peace declaration in Tashkent with Pakistan's Ayub Khan, India's Prime Minister Shastri died, at 61, of a heart attack. His successor, the first woman prime minister, is Mrs. Indira Ghandi, daughter of Nehru.

Pope Paul VI made a pilgrimage of peace to New York City to address the UN this year — a first-of-its-kind trip.

In Viet Nam, the fighting continues. For the most part, US troops held their own. The determination was strong to stay in Viet Nam until a successful conclusion of the struggle.



Bothell's main entrance received a Cougar.



Dear Debbi -
MRS. Thompsons has been a blast. I'm really glad we both got in the same class so I could get to know you. Have a great summer & I'll see you next year when you're a junior. (It's an awful year, believe me.) But I'll see you anyway.

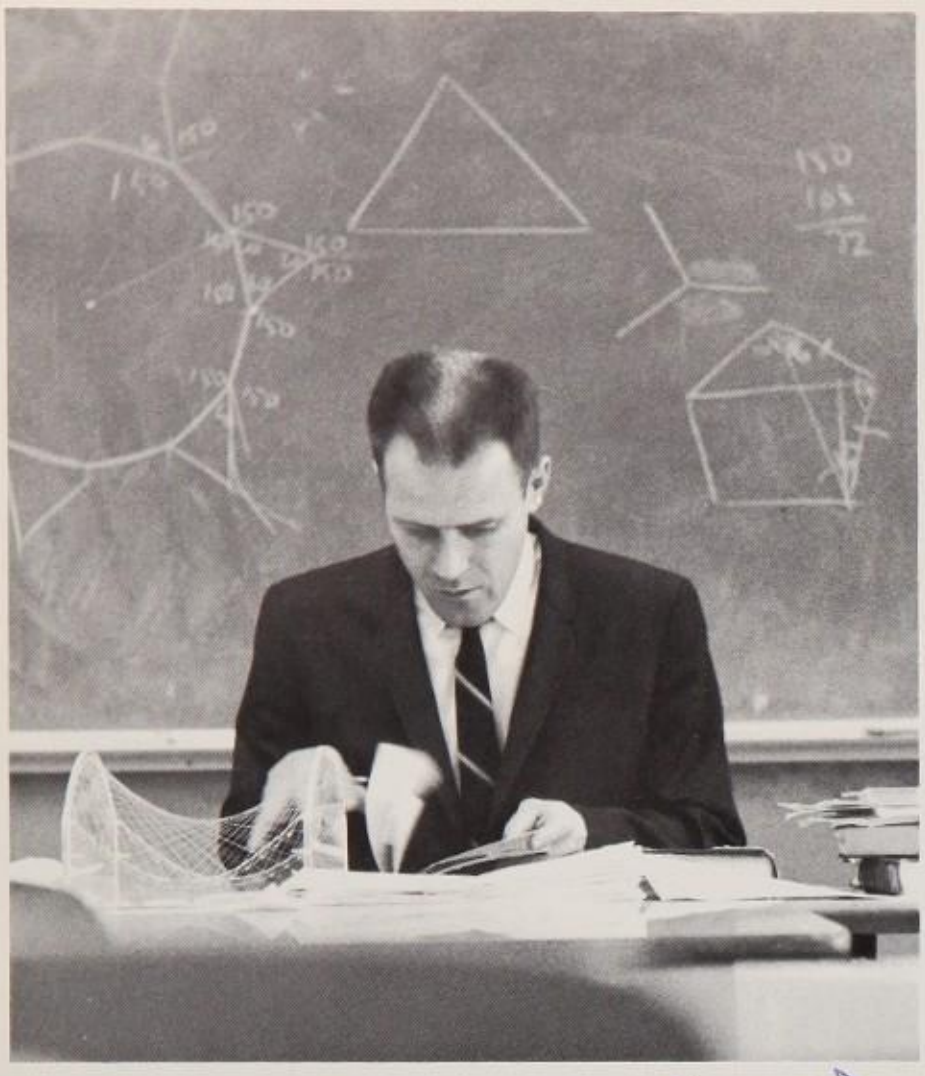
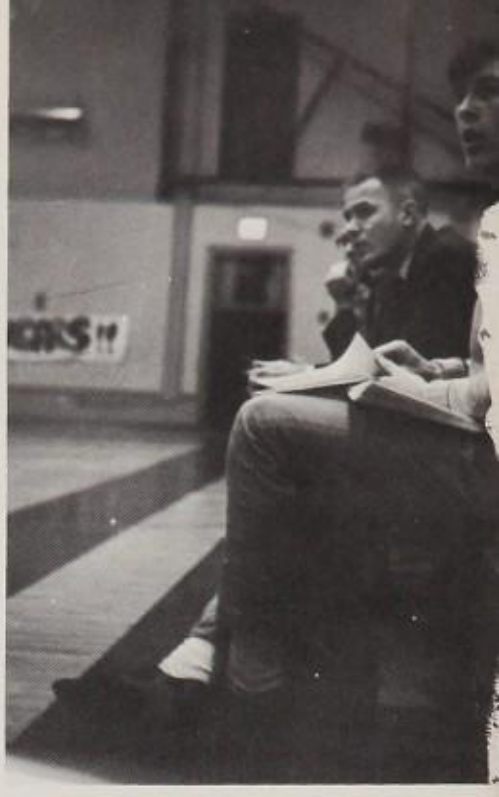
Dear Debbie - well we have gotten to know each other pretty well this year would have loved to have been closer but I guess that's the breaks. Anyway I had a "lovely" time this summer. And if I do get a chance I'll be sure to come see you in Grand Rapids. Have a great summer & keep in touch



Larry Peterson, a teacher.
Larry Peterson, a coach.



Dedication: Mr. Larry Peterson . . .

Humble, willing to give of himself, and highly respected—three qualities that make Larry Peterson a real attribute, not only to our high school, but to our community.

Born in Seattle, Mr. Peterson attended high school in Bremerton, where he won recognition in football, basketball, and baseball. He went on to college at Stanford, University of Washington, Seattle Pacific, and Seattle University. At SPU, he was a respected athlete in basketball and baseball.

1956 was Bothell's lucky year, when Mr. Peterson, Mr. Ackerman, and Mr. Strand all joined the faculty. For ten years, Mr. Peterson has concentrated on Math and Science, which he enjoys and in which he is very proficient. In 1964 he received a Ford Foundation grant in mathematics. Last year he refused the vice principalship at Inglemoor, preferring to remain in the classroom, teaching.

"Pete" and "Coach" are his two most common nicknames. As a coach he has guided tennis and basketball teams as long as he has been here. In 1960, he brought Bothell its only tennis championship, with a team that didn't lose a match. Since Bothell became a Class AA school (1960), "Pete" has stolen five out of six KingCo basketball championships. For four years, he has been beaten in the last seconds by a mere bucket. Three out of four of those years, the teams he lost to went on to take the State Championship—Garfield, Hudson's Bay, and Renton.

"Coach", "Pete", or "Mr. Peterson", he has not only given his abundant knowledge, but of himself as a person to the students at Bothell. He enjoys greatly his work with young people. Some of Bothell's best students and best athletes have been products of his classes. "Pete" isn't the type of man who looks for publicity or the center of attention, whether he has a winning team, or a good student. He tries to share his qualities of sincerity, strong conviction and high standards of personal pride. He gains personal satisfaction by sending an athlete or student into life with these traits.

For his great contributions to students and organizations at Bothell High, the 1966 "Cougar" is very proudly dedicated to a great guy:

MR. LARRY PETERSON

The 1957 "A" Squad Basketball Team: Jim Gaylord, Roger Sires, Dick Nicholl, Earl Hylton, Bill Demetre, and Coach Peterson.

Administration

The Northshore School Administration includes the Board; Superintendent Julian Karp; assistant superintendents Lee Blakely (instruction) and Marvin Stevens (business); administrative assistant Ray Braga; and director of curriculum Mrs. Florence Sperling.

The district in their charge saw many changes this year. Federal money made possible increases in instructional materials; establishment of a primary developmental (Title III) program with a full-time developmental teacher in each grade school; and extra-curricular "tutoring" program in the senior and junior highs; and the preliminary steps in what is hoped will be a Regional Reading Center to serve six districts. A planning grant of $14,000 has been received and the district has forwarded an application for $175,000 to open the Center.

The administrators are also studying possible reorganization of district grade patterns. At "Cougar" press time, plans called for maintaining the status quo next fall; but possibly 6-7-8 "Middle Schools" and four-year high schools by '67-'68.

Northshore administrators Lee Blakely, Julian Karp, and Marvin Stevens head the 64-square-mile district.

The Board

The Northshore Board of Directors meets every 2nd and 4th Monday. In this view are Mr. Karp, Mr. Langkow, Mr. Sorenson, Mr. Smith, Mr. Stevens, Mrs. Knutsen, and Mr. Sutherland.

The School Board is kept constantly busy, hearing reports on such subjects as school construction, transportation, curriculum and staffing; listening to complaints; making difficult decisions on programs and plans; and trying to spend wisely and efficiently an annual budget of nearly two million dollars.

A November election saw two new members elected: John Langkow from the Woodinville area, and John Sutherland from the Snohomish county area. C. V. Smith was re-elected president, with C. O. Sorenson as vice president. Mrs. Ina Knutsen continued to serve as the only woman on the Board.

The Northshore Department of Classroom Teachers nominated the Board for the national NEA "Thom McAn Award" in the area of school planning and construction. Award winners were to be announced in May.

The Board worked closely with administrators and the Northshore Education Association to develop a working "Professional Negotiations" program — one of the first in the nation.

P-TA

The Bothell High School Parent-Teacher Association serves faculty and students by forming a path between school and home. Members work together to establish better understanding. Among other things, the P-TA sends out newsletters, supports local and state-wide scholarships, and works toward legislation that benefits young people.

Officers this year were President Mrs. John Majnarich; Vice President Mrs. Joe Vitulli; Secretary Mrs. Rudy Petersen, and Treasurer Mrs. George Williams.

The PTA Board met once a month.

Bothell High's principal, Mr. Arne Strand, having just concluded a year as president of the Washington State Secondary School Principals, was named as one of 20 educators in the U.S. to take part in a Study Mission to northeastern Europe and the U.S.S.R. in March and April. His trip was financed in large part by efforts of the Northshore Education Association, students, and community efforts.

In his second year as vice-principal, Mr. Tom McNutt filled in for Mr. Strand during his month-long trip, and throughout the year advised the activities of the A.S.B.

One of the most gratifying trends being observed in recent months is concerned with people who are concerned in behalf of people. You, who are involved in building and developing the yearbook have been offered a wonderful opportunity to express your interest in the welfare of your peers by giving each and every one just and equitable consideration. There is no element that gives greater satisfaction than a performance by any one of us in the demonstration of good will in the most sincere manner. There is no greater goal in our lives as students, than the one we project in exemplary citizenship, and through this attitude reflect our parents and friends.

— Arne Strand, Principal

There are wheels within wheels to keep a nearly 1000-student school running smoothly.

Left — The Library Assistants aid in keeping books shelved and available.
Center — Main Office girls man the phones and machines to keep paper work flowing.
Right — The attendance office girls do much of the "running" that keeps the school running.

Busy Cooks catch a breath between lunch servings.

"Jerry" MacRae, Howard English, and Wally Dunlava enjoy a moment of sunshine.

Every wheel must have a hub to function correctly. Bothell's hub is the main office, where Mrs. Botting has been at the wheel for ten years. For the past two, Mrs. Webster has been at her side. They have many daily, demanding tasks, which couldn't possibly be achieved without the help of the office assistants whom they must train. This program offers girls an excellent opportunity for practical experience as well as providing essential service to the school.

One of Bothell's important spokes is the library, beneficial to both students and faculty. Mr. Christopher, the librarian, has done an excellent service to Bothell, more than doubling the number of volumes available in the last six years. This year, Bothell has a new library secretary, Mrs. Good, who helps Mr. Christopher keep track of the incoming and outgoing books, and with him trains and supervises the library assistants.

A spoke that the "cutting" students could probably do without is the attendance office headed by the vigilant Mrs. Sarbaugh. She takes care of passes, early dismissals, absentees, and class attendance, as well as the "skipping" students. A good share of the funds that operate the school are dependant upon the accuracy of her monthly reports. Both guidance and attendance offices are kept running smoothly with the aid of her assistants.

Maintenance is probably the least recognized but most essential spoke. Mr. MacRae is the custodian who works most closely with students, with Mr. Dunlava and Mr. English on "swing" and Mr. Hawkins and Mr. Turley on "graveyard", covering the buildings around the clock. They keep buildings and grounds shining and clean to brighten the students' days.

Two matrons, Mrs. Vera ("Cookie") Ayers and Mrs. Eleanor Kennard do an appreciated job in the girls' rooms and faculty areas. Mrs. Merle Norman cares for the girls' gym areas and does the laundry for the entire district.

The last, but most important spoke for students whose eyes are rarely bigger than their stomachs, is the kitchen, presided over by Mrs. Reese. Each day she and her assistants, Mrs. Beckmann, Mrs. Kramer, Mrs. Omli, Mrs. Shatto, and Mrs. Yaguchi, provide hot lunches for the hordes of starving elders and youths of Bothell High.

"Cookie" and the two other Bothell "Go-Go girls" — for they are certainly always on the go!

Graciela enrolls at B.H.S.

Graciela Cullere was the second exchange student brought to Bothell through Rotary International, and the sixth exchange student enrolled at BHS. She is from Cordoba, Argentina, and will stay with the Robert R. Walters family through next November.

A Spanish-English dictionary accompanied the dark-haired "senorita" everywhere as she slowly gained fluency in English. She found it "vairy, vairy difficult" to become accustomed to American eating habits. In Argentina, breakfast consists only of milk or coffee and bread with butter. Lunch is the big meal, with a light dinner served at 9 or 10 p.m. Also, most teenagers there smoke, from 15 on, and she could not understand our smoking-age law.

School in Cordoba was on a double shift, 8 a.m. to 1 p.m., and 1-6 p.m. She likes being able to choose electives. In Argentina, they took 13 required subjects a year, with classes held at different times of the week.

Already a high school graduate, Graciela plans to study literature at the University of Cordoba and later study philosophy in France. Last year, she had an American "sister" exchange at home, from December to March. Her father, a lawyer, also teaches in a Cordoba journalism school.

Graciela and her friend, Chena, have language problems.

"Uli's" "brother", Jerry helps with homework.

Girls' State

This year's delegate to Girls' State was Janet Sutherland, chosen on the recommendation of history teachers, by the American Legion Ladies' Auxiliary. Girls' State is a program designed to inform young people of the responsibilities and activities of their government. It provides the invaluable experience of first-hand knowledge of civic affairs. The girls divide into cities, each with their own officials and problems to solve. At the end they meet to elect two senators to Girls' Nation in Washington, D.C.

Through this experience, the participant learns not only to understand the functions of her government, but herself and the role she will play in it.

Bothell Hosts Two Exchange Students

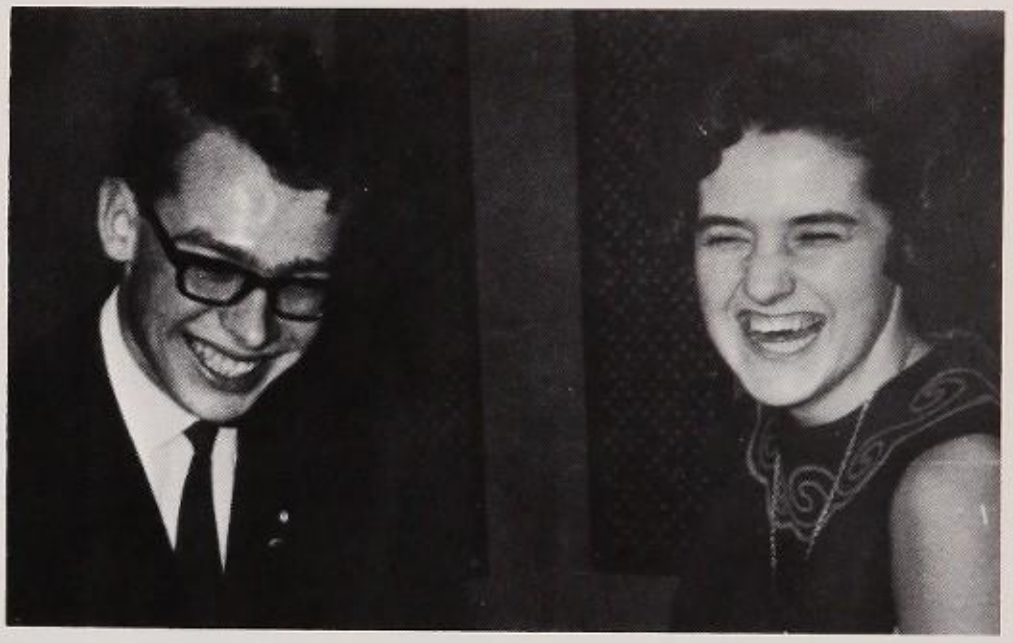
Bothell's fifth exchange student, Ulrich Stuck, arrived from the Federal Republic of Germany sponsored by the American Field Service, on Sept. 2. It wasn't until Christmas that "Uli" felt at home with "Bothell English" — quite different from his "Oxford" brand. He served the Senior Class as its treasurer.

In Germany, students spend four years in a primary school, then select their elementary. Ulrich chose the "Gymnasium Fabritianum", comparable to a U.S. private grammar school. He will have two more years of school at home before the one big examination for graduation (they have 13 instead of 12 years, and his year here will not be transferable). No inter-school competition or school spirit exists in Germany, and the faculty-student relationship is far more formal. "Uli" says homework here is harder, however, because we cover material in shorter times.

In Germany, when a boy and girl date, the girl usually pays her own way. There is no age limit on drinking, and smoking is allowed from the age of 16.

"Uli" stayed with the Robert L. Peltons of Kenmore, and "brother" Mike ('67) until January, when he moved closer to the school. He finished out the year with the Roy E. Rettigs and U.W. "brother" Jerry ('61).

Politics frequently created arm waving discussions.



"Uli" talked with Lorraine at her going away party.

"Uli" receives his Christmas present from the A.S.B.

The Class of '66

Motto: What I am to be I am now becoming.

Flower: Orchid

Colors: Purple and white

365 students graduated from Bothell High School this June. The class of '66 was divided last year, some 80 students going to the new Inglemoor High School. All the same, the remaining seniors strove to make their last year as productive as the previous ones.

With characteristic energy, the class worked at their Junior Prom. When it was finished, they called it "Tonight." The prom was held at the Inglewood Country Club.

The class of '66 learned early how to work together to best utilize their talents. As sophomores they presented the comedy, "Thanks Awfully." The following year, as juniors, they presented "The Spectre Bridegroom," captured the award for the best supporting actor, and came in second in the competition. This year, as seniors, first place was theirs with the comedy-melodrama "Bertha the Bartender's Beautiful Baby."

The year ended as it began, on a note of success. The seniors' last venture as a class was the Senior Ball. The effort and planning put into it were evident in the final outcome.

Seniors Bob Schmidt, Jay Clark and Kit Bratlein demonstrate their ability as cooks in Bothell's new boy's cooking class.

"That's the affirmative case?" asks Jay Justad

Secretary Sue Downey chats with Exchange Student "Uli."

A.S.B. President Brian Jones.

Our '66 A.S.B.

The A.S.B officers were in charge of supervising school activities and establishing a smooth running government. But their services did not end there. They had to promote true genuine school spirit that would bind the student body together to form an effective organization.

Working with the various leaders of B.H.S., Associated Student Body President Brian Jones had a variety of tasks. Such as presiding over assemblies and representing Bothell in other areas when the occasion arose.

Second in command, as Vice President, was Gretchen Edmonds. Gretchen headed Legislative Council, made up agendas, appointed various committees, and called meetings of those committees.

Secretary Suzanne Downey's responsibilities consisted of keeping minutes, writing letters when needed, and running errands. She was aided by Assistant Secretary Bev Niemeyer.

Along with advisor Miss Mengon, Treasurer Eric Munson and Business Manager Janet Sutherland passed the year keeping budgets in order and balancing the books.

Arranging busses to "away" games and selling bus and game tickets were the responsibilities of this year's Athletic Councilmen Dick Niemeyer and Les Harmon. They also prepared the lists containing names of letter-award winners.

A.S.B. officers: Bev Niemeyer, Ass't Sec.; Les Harmon, Athletic Councilman; Eric Munson, Treas.; Gretchen Edmonds, Vice Pres.; Dick Niemeyer, Athletic Councilman; Brian Jones, Pres.; and Janet Sutherland, Bus. Mgr. Not shown: Secretary Sue Downey.

HI BABE
SEE YOU IN CREEPY DEBATE NEXT YEAR - MAYBE IT WILL REPLACE CREEPY ASTRONOMY - BY'EE

"Uli" received his Christmas present, a telephone call home.

Government

Legislative Council, the ruling body of Bothell's student government, is made up of Associated Student Body officers, chairmen of A.S.B. committees, representatives of all A.S.B. approved organizations, publications and roll rooms, with one representative for every ten people.

Legislative Council met only when there was business at hand, instead of monthly, as in previous years.

Under the advisorship of Mr. McNutt and Mr. Peterson this year's Legislative Council accomplished such things as: donating money to the girls' gymnastics team, taking action toward parking lot conditions and Compus Day, new rules were set up to govern Homecoming, Senior Personalities, and the adoption of an orphan. The orphan was an American Indian who was provided for by donation.

All in all 1966 proved to be one of the most active years of Bothell's A.S.B. Government.

Second Semester Legislative Council.

Dance

The Dance Committee was kept very busy this year with scheduling the dances and sock-hops for the entire year. They also sponsored the annual Homecoming dance. The committee functioned smoothly under the leadership of co-chairmen Sue Hammer and Jim Martin, and advisor Mr. Voorhees.

Members were Bert Comstock, Becky Croes, Linda Gaidys, Sue Hammer, Jim Martin, Johnny Phillips, Debbie Sidie, and Joe Vitulli.

A.S.B. committees serve students and school

Student-Faculty

The Student-Faculty promoted a better understanding between the student body and faculty. At Homecoming, the Student-Faculty Committee discussed the possibility of having the floats reinstated and established rules by which to govern their construction.

The purpose of the committee is to let the faculty know what the student body wants and what they are willing to do to obtain it. It also enables the students to become aware of what the faculty expects of them.

Co-chairmen were Miss Stickney of the English department, and Sue Boyle. Student and Faculty members were Mr. Walker, Mr. Peterson, Mrs. McIlrath, Mrs. Wallis, Tom Gaisford, Kathy Herdlein, Debbie Sidie, Janet Nelson, and Kurt Johnson.

Calendar

The Calendar Committee carried out their service of publishing calendars every month to keep the students and teachers informed of activities and events taking place. The calendars were then distributed to the teachers and posted throughout the school.

Mrs. Botting was the advisor and Brenda Nelson served as chairman. Other members were Terry Ridlon, Linda Wold, Carol Bier, and Jill Klinkenberg.

Drivers Control

Prowling the parking lots—both faculty and student—were members of the Drivers' Control Committee, headed this year by Bob Frink. They worked to cut down congestion in the parking areas; and violators received warning tickets backed up by denial of permission to drive to school. They also worked toward an ultimate goal of a paved parking lot, with Mr. Walker as advisor and other members Lyle Zimmerman, Bill Nolf, Gordon Broderson, Mike Scott, and Craig Cox.

Assemblies

Assemblies Committee is a committee designated to plan assemblies for the entertainment of the students and faculty. However this year it was inactive. Chairman was Barb Culpepper and advisor was Mr. Peterson. Other members were as Follows: Gail Thomas, Jan Wedekind, Christy Coles, Rosann Johnson, Vicki Talbot, Kathy DeVecchio, Jill Edwards, Shawn Foster, and Ann Welsh.

Plaque

The Plaque Committee, as always, took care of the school's trophies and Plaques, keeping them, clean, polished and up to date. They were also responsible for arranging them in the display cases. Mr. Peterson served as faculty advisor and Rick Parker was chairman of the Committee.

Constitution

Jay Justad, heading the Constitution Committee, acquired the task of amending the Constitution to fit this years smaller student body. The committee "attempted to make the constitution more workable for everyone" according to Jay. The amendments were proposed and passed. Members were: Dick Dykstra, Tom McCullough, Scott Keesling, Barb Connell, Dan Doolan, Mike Scott, and John Seaton. Advisors include; Mrs. Ramstad, Mr. Peterson and Mr. McNutt.

All the multitudinous "ins-and-outs" were handled by the Editorial Board, as well as individual duties. **Seated,** Wallis, Evans, Saulter and Downey. **Standing,** Niemeyer and Ridlon.

Sports staffers wrote copy and prepared layouts for the sports section and assisted in Business.

The lights in the annual room burned often until the stroke of midnight, as always, and deadlines were almost always met on time. Through it all, Advisor Mrs. Wallis was there working right along to provide advice and invaluable aid to the staff members.

The theme of this year's annual, as developed in the photo-essay, is "Search". The theme is developed around the idea that life, itself is one continuous search through which the individual finds those things most important to him.

This year under Editor-in-Chief Linda Wallis were Business Manager Suzanne Downey, Photo Editor Mike Ridlon, Copy Editor Jeri Saulter, Layout Editor and Artist Sue Evans, and Sports Editor Dick Niemeyer.

Other staff members were: Copy—Mary Williams and Teddi Smith; Layout—Merrilee Culbreth, Sue Godfrey, and Gayle Mailloux; Sports—Dennis Bosley and Les Harmon; Business—Bev Niemeyer, Gail Thomas, Carole Wikel, Steve Haynes and Ann Welsh; and Photographers—Mark Denison with Darrell Hansen and John Jarolimek.

The Business Staff was responsible for obtaining the nearly $7000 needed—through book and ad sales, sock hops, etc. **Clockwise,** Nelson, Thomas, Haynes, Downey, Wikel, Welsh, Niemeyer and Harmon.

The layout staff was charged with the artistic development of the pages: Mailloux, Godfrey, Evans and Culbreth.

"The Cougar" Builds On Memories

Annual Advisor Mrs. Wallis.

Copy staffers had fun writing things they didn't dare print, as well as most of the copy printed: Williams, Smith and Saulter.

Photographers worked extra hard this year, long into the night and on the weekends. Literally thousands of pictures were taken, developed, proofed, printed and filed by this team—Jarolimek, Ridlon, Nelson (file clerk) and Denison.

The editorial board, two juniors and three seniors, decided policy: Harlan Moyer, Jackie Lay, Randi Petraitis, Joan Sundberg and Brian Speakes.

Sports activities were the province of these three: Vicki Grimnes, Jerry Hicklin and Brian Speakes.

Mrs. Wallis, publications advisor.

Mary Jane Sarbaugh and Mike Walters handled exchanges. Penny Mack helped prepare the game programs sold at all home games.

Reporters, And . . .

The small staff necessitated "doubling in brass" for most jobs. Kitty Marihugh acted as clerk for the Business Staff; Tracy Owen wrote editorials; Roxane Botz was Club Editor, and Patsy O'Brien, Fashions.

"Zephyrus"—A Fresh Breeze From The West.

This year Bothell High's school newspaper changed its name from the "Cougar" to the "Zephyrus" amid a storm of protest. The paper and its staff weathered the storm, however, to give Bothell High many thought-provoking editorials and the latest news. They also sponsored a successful sock-hop after the O'Dea basketball game and a spring sock hop.

Paper staff was headed by Editor Randi Petraitis and Assistant Editors Joan Sundberg and Jackie Lay. Sports Editor Brian Speakes headed his department, with Jerry Hicklin, assistant sports editor, and Vicki Grimnes, girls' sports. Special features included Bob Hover, artist; Harlan Moyer, feature editor; Mike Walters and Mary Jane Sarbaugh, exchange editors, Penny Mack, programs; and Patsy O'Brien, fashions. Teddi Smith was copy editor 2nd semester.

Reporters were Roxanne Botz, Dave Clevenger, Penny Mack, Kitty Marihugh, Patsy O'Brien, Tracy Owen, and Mike Walters. Staff photographers were Mike Ridlon, chief; Mark Denison, John Jarolimek, and Darrell Hanson. The business staff was headed by Gary Lyshol, business manager and Bruce Cresswell, advertising manager, assisted by Larry Nesheim and Kitty Marihugh.

The advisor was Mrs. Wallis who worked hard teaching as well as advising the class.

The business staff kept hustling to meet the $80-$90 per issue staff share of publishing (half is paid by the District—none is ASB) Ads, dances, programs, all served to provide BHS with an independent school paper. Larry Neshelm, Bruce Cresswell and Gary Lyshol handled this.

Mike Ridlon, **left,** not only served as Dark Room chief, but managed to keep the cantankerous press running for odd-job printing. Assistant photographers were Mark Denison, John Jarolimek and Darrell Hansen.

Torch Promotes Academics

Torch is an honorary organization designed to promote and stimulate an interest and enthusiasm for scholarship, leadership, service, character, and citizenship. The members, through the various activities of the club learn to accept responsibility and leadership, and to execute them well.

In order to become a member of Torch, a student must meet the requirements of an accumulative grade point average of at least 3.3 as a freshman, 3.4 as a sophomore, and 3.42 as a junior or senior.

Generally, Torch is very active in school service, community service and other such worthwhile activities. Unfortunately, as we go to press, at this the half-way point, the club has not participated in any activities.

NFL Excelled In Debate Competition

There was no debate club this year, as all BHS debaters gained enough points for membership in NFL. The National Forsenic League is an honorary organization for those students interested in debate, extemporaneous speaking or interpera-tive reading. Membership is based upon points received in competition during debate meets and tournaments throughout the year. Once membership is achieved, further accumulation of points can earn the members distinction.

Officers this year were: President Tom McCullough; Vice President Spencer Wedlund and Secretary Jan Anderson.

"Get Out And Vote", Say V.I.P.'s

The Voter Information and Promotion (SAO) organization was a new club this year at Bothell High. This is an unbiased organization whose purpose is to put out informative information on school levies and get people to come out and vote.

The group met every Wednesday and were under the leadership of Kerry Kilpatrick, president; Roger Cameron, vice-president; Carole Wikel, secretary; John Seaton, treasurer; and Linda Gaidys, legislative council representative.

Other members were Cathy Seeley, Becky Croes, Bonnie Ansell, Lynn Arnold, and Mike Jahr. Mr. Meacham advised the group.

Chess Club Plays In Metro

Under the leadership of Mr. Stephen Christopher, National Class C Chess Champion, the Bothell High '65-'66 Chess Club had a fine year. They competed in the Metro League again this year until the end of May.

Chess Club officers included Harold Light, president; Andrew McLeod, vice-president; Jeff Sutton, secretary; Roger Cameron, sergeant-at-arms; and Kevin Hearon and Don Smith, legislative council representatives.

Other members included Richard Clavesilla, Arnold Foss, Michael Ireton, Steve Seaton, Bill Vance, and Spencer Wedlund.

Stage Crew Makes A Good Prop.

Working behind the scenes and helping to make a success of the plays this year was the stage crew. This group of students built, painted, and handled sets, took care of properties, and handled lighting and special effects. Without their invaluable assistance, the high quality of achievement would have been impossible.

Stage Crew members included John and Jim Hagen, Mike Mikkalsen, Tom Weese, Chuck Robinson, Jeff Sutton, Robert Schraffer, Gary Coppess, Mike Long, Steve Hull, Al Hohmann, Steve Ellison, Terry George, Dick Smith, Gary Kolb, Jim Spratlein, Delbert Boyd, Gerald Sands, Jay Boe, Les Hyatt and Tony Yaklich. Mr. Owens directed their work.

FTA Trains For Teaching

Students who are interested in becoming teachers make up the Future Teachers of America. This organization was headed by Kirsten Peterson this year and the advisor was Mrs. Howard.

Some of the activities the club participated in were an exchange meeting with another high school, trips, and a tea at the University of Washington. They also attended a Regional Convention and sponsored a dance. At their meetings they had a guest speaker and films.

The other officers were Bill Nolf, vice-president; Jackie Martin, secretary; Shirley Kaibe, treasurer; Karen Kraus, publicity, and Karen Torphy, legislative council.

M.U.N. Delegates Represent Ghana, Rumania

This year's Model United Nations was held at Shoreline High School. Bothell was represented by two delegations: Rumania, headed by Linda Wallis, and Ghana, headed by Mary Scott. The advisor of the two Bothell delegations was Mr. David White of the Bothell History department.

The members of the Ghana delegation were Mary Scott, chairman; Debby Chase, Teddy Smith, Janet Langstaff, and Gretchen Welsh.

The Rumanian delegation consisted of Linda Wallis, chairman; Diane Stromme, vice-chairman; Janet Sutherland, Karen Torphy, Mary Hearon, Cathy Nielson, and Dana Rodman.

The delegation representing communist Rumania distinguished itself by being accused of leaning toward capitalism for selling Bothell music department candy bars during the day.

Every Sunday morning from January 9 to March 6 at 7:00 a.m. members of the ski school began boarding the busses in front of the high school. Busses left promptly at 7:30 and arrived at Ski Acres about 9:00. Members spent the day in lessons and in "just for fun" skiing, with a pause for hearty lunches. Tired and sleepy skiers came off the slopes at about 3:00 for the return trip home, arriving back at the school at about 5:30.

This year's chairman was Verne Hicks and the advisor was Mrs. Strand.

Cries of "Yea Bothell" came from Pep Club as the club once more set out to inject school spirit into our student body.

Among its yearly functions were painting signs, organizing Pep assemblies, selling tags, antenna pennants and other various Pep gimmicks.

Around Christmas, an "Ugly Man" contest was sponsored. There were four contestants: Tracy Owens, Don Denny, Jim Grater, and Dennis Bosley. Votes were cast by putting pennies into the jar belonging to the ugly man of your choice. Later, the some forty odd dollars was given to the PTA Welfare fund. The ugliest of Bothell men was Don Denny.

support for school spirit

Interact is a service club at Bothell High School sponsored by Rotary. It was the first of its kind in the state of Washington. The purpose of the club is to develop in its members such things as leadership, action to further international good will, thoughtfulness of others, and awareness of the importance of home and family.

The club was very active this year. For fund raising projects, they sold booster buttons and ribbons, sold concessions at the basketball games, and sponsored a dance. They again supported the Doug Pride Scholarship, parked cars at all school functions, as well as made some plans to beautify the school grounds.

The officers were Bob Moyer, president, Scott Keesling, vice-president, Steve Halverson, secretary, and Tracy Owen, legislative council representative. Mr. Thumlert advised the group.

Pep staff provides lead rooters, teams

There is more to leading cheers and songs than most students realize. The cheer and song-leaders worked long and hard to prepare for the football and basketball seasons. They met all summer and turned out twice each week throughout the year, making up new routines and cheers. They worked to achieve the timing and rapport that was so characteristic of their routines. They encouraged school spirit and spread enthusiasm among the students. Whether stomping in the mud and rain at a football game or bouncing around in the gym at a basketball game, they never lost their en-

Homecoming, 1965 . . .

Co-chairmen Jan Wedekind and Terry Johnson worked especially hard to make the 1965 Homecoming the best yet. The effort was evident in the outcome.

With many of the old traditions missing, a special effort was made to establish new ones.

However, as Homecoming drew near, many of the old traditions connected with it came into focus once again. These were gimmick day, the Homecoming assembly, and the class competition. Soon, Homecoming itself had arrived. The day brought with it the annual parade, the spaghetti dinner, the dance, and the long-anticipated game. In the class competition, the Juniors took first place, the Seniors second and the Sophomores third.

With the crowning of Homecoming Queen Sue Evans, and the dance, Homecoming 1965 drew to a close. But it remains, on these pages with the students who worked to make it a success.

Homecoming Royalty ruled "welcome home" dance

Homecoming Queen this year was Sue Evans with her princesses Sandy Hart, senior, Becky Croes, junior, and Holly Keesling, sophomore. The royalty were announced at halftime during the homecoming game, October 29.

Sock-Hops continued in lively vein.

Dances were energetic!

But a major sport at all hops continued to be "band watching" as students waited for someone else to dance.

Under a revised ASB ruling, sock-hop sponsors shared their proceeds with live bands. The schedule got under way in lively fashion, including joint dances with Inglemoor at both schools. However, vandalism by visiting Seattle students just before Christmas caused curtailment of the scheduled sock-hops until midway through the basketball season.

Christmas Tree Royalty ruled town festivities

On the cold rainy December 6, a crowd once more assembled in Main Street. A hush fell over all as the '65 Queen, Nancy Haining connected the lights of the largest living lighted Christmas tree.

With sounds of caroling Queen Nancy and Princesses Kathy Keener and Sue Hammer were honored. Nominated by the senior class and chosen by a student body vote, all three girls were sponsored by the Junior Chamber of Commerce.

Music provided by the Bothell High Ensamble and Pep Band added to the night. Mayor Walter Sundstrom was Master-of-Ceremonies.

The Senior Ball was held June 4th at the Sandpoint Country Club, which overlooks Lake Washington, and affords a beautiful view of the city lights on the water. The antique gold, red, wine, and brown decor of the room suited this year's theme: "Ceibo," a remembrance of all we shared together, accented by the Argentinian flower, the Scarlet-orange ceibo.

Working for success of the Senior Ball were: overall chairman, Ann Welsh and sub-committee chairman Gail Thomas, Jan Wekekind, Sandy Hart, Pricilla Sligar, Julie Edwards, Donna Bendokas, Penny Salvadelena, Joanne Migliore, Tracy Owen, Gretchen Edmonds, and Sue Downey.

It gives the members a chance to participate in all phases of drama, from production, through acting, makeup, and set-designing. The Thespians sponsored the one-act class competition plays, as well as various other ventures throughout the year.

Under the capable leadership of Mrs. Fennell, the Thespians had a most successful year.

Seniors Win One-Act Competition Play

The seniors won the competition this year with the comedy-melodrama, "Bertha the Bartender's Beautiful Baby." The play is a satire of the type of temperance play that was produced about the turn of the century. It is the story of the kind of man who leaves the simple, sunny world of his small-town candy store to become the proprietor of a saloon. He is thus placed under the influence of "demon rum" and estranged from his family. Besides warning the viewer against the horrors of drink, the play provides suspense, romance, and humor.

Sue Godfrey, in her role as Tessie Tremain, received the "Best Actress" award. Pat Hodges as Iva Bargain received "Best Supporting Actress", and Mike Jahr as Hurley Burley won "Best Supporting Actor." Linda Wurster and Jay Justad were co-directors of the play.

"Daisy Dashley", in dismay, turns to "Percey Veer."

Mike Jahr, "Hurley Burley," was given the title of Best Supporting Actor.

Sophomores Find Fun In Mystery

The sophomores presented "The Mystery of Mouldy Manor," as their play this year. The mystery centers around a valuable ruby that causes the demise of each of its several owners. Each of the owners of the gem meets with a unique death. The action takes place in an insane asylum, and each of the inmates displays a trait all his own. From the young lady who kept a tarantula as a pet to the patient who preferred her wheelchair to walking, the actions and motives of the participants are a real mystery.

David Lang captured the "Best Actor" award for his performance as the arch-villain.

"What's Wrong With The Girls?" Ask Junior Dramatists

The juniors presented as their play the satire "What's Wrong With the Girls?" A young man presents his case against the fair sex to the public. A young lady in the audience objects to his remarks, and directs a few of her own to him, explaining what is wrong with the boys. But love wins in the end, and the young man and the young lady leave together to discuss further the problem at hand. Tim Torphy and Jackie Lay appear as the young man and the young lady.

"Now I'll tell you what's really wrong—it's boys!" admonishes Jackie Lay as she "lays it on the line" to Tim Torphy.

Two Scenes from "Scarecrow" show elaborate costumes.

The Scarecrow, by Percy MacKaye, was presented from January 26 to 29 as the winter play. The cast included Pat Hodges as the witch, Tom Gaisford as her creation, the scarecrow, and Larry Mailloux as Satan. Others in this Eighteenth Century satire were Mary Raley, Scott Keesling, Eric Munson, Jay Justad, Ralph Peterson, David Lang, Vern Nelson, JoAnn Weinbergen, Mary Miller, Sally Majnarich, Harlan Moyer, Linda Dupar, and Gary Greenland.

Bothell's entry in the PLU one-act play competition was a play taken from the same story as **Scarecrow.** The short play, **Feathertop,** was a one-act tragedy. The cast remained essentially the same, with Shawn Foster, Vern Nelson, Mike Jahr, and Ron Smethurst replacing some of the **Scarecrow** performers. In competition March 18, this play finished well, placing third in a field of eleven high schools. Outstanding performers were Pat Hodges, who received second in Best Actress, Harlan Moyer, who was second in Best Actor, and Tom Gaisford, who received honorable mention. Both plays were based on a Hawthorne tale.

In addition to Bothell's fine marching band were our Drum Major and Majorettes. This group of young people added much to the color of all the half-time shows.

Drum Major Randy Eastwood and Majorettes, Janet Sutherland, Kathy Campbell, Valerie Adam, and Mary Zimmerman practiced many hours to perfect their routines this season. The highlight of their year was Homecoming.

Majorettes Add Color

The five high steppers led the traditional "blackout" with exciting fireworks. The marching band each fall is made up of most of the players from Cadet and Concert bands.

Stage Band Swings

Under the able leadership of Mr. Bernie Ackermann, the Stage Band gave several fine performances. Working hard every Tuesday night, they highlighted the year with numbers in the Christmas Concert and the Spring Nightclub. This group added much to Bothell Senior High's music department.

Ensemble Gains Popularity

Ensemble is one of the most active community service groups at Bothell High School. Performing for various clubs and organizations, they have established an excellent rapport between the people of the community and the students of the high school.

Under the direction of Mr. Dennis Behrens, the Ensemble has performed for the Elk's Club, the Kiwanis Club, the Inglewood Country Club, and the Washington Athletic Club, as well as performing at many school functions.

The members of Ensemble were Lyle Zimmerman, Christie Sloan, Debbie Lucker, George Simonsen, Nancy Haining, Kirsten Peterson, Pat Sinnet, David Trafton, Robyn Hall, Barbara Peterson, and Steve Haynes.

The interests of the members of the BHS choir are as diversified as the personalities they are a part of, ranging from sports to English Literature. Yet they have a common bond, a sincere appreciation of all types of music and a sensitivity to the interpretation of music.

Bothell's choir is one to be proud of. Under the capable direction of Mr. Behrens, they have acquired a unity and voice control unique among high school choirs. Their contribution to the music department and to the school as a whole was a substantial one.

The choir joined the band in presenting four excellent concerts this year. Three of these were traditional: the Christmas Concert, the Midwinter Concert, and the Spring Nightclub. The fourth was something new this year, a joint concert with the Inglemoor band and choir.

Officers this year were: President, Lyle Zimmerman; vice-president, Kerry King; Treasurer, Debbie Lucker; Secretary, Nancy Haining; Librarian, Kirsten Peterson; Assistant Librarian, Shawn Foster.

Harmony And Rhythm Were A Creation

Under the capable leadership of Mr. Ackerman, the Concert Band did an outstanding job this year. The varied personalities of the students and instruments blended together into one, delivering that unity of sound and expression that is so hard to achieve, yet so essential to the success of a band.

As usual, the Concert Band participated in many activities. In conjunction with Cadet Band, they formed the marching band which entertained during football season, as well as the pep bands that performed at the pep assemblies and at all the games.

Next came the Christmas Concert, the annual gift from the music department to the community. On February 15, the Midwinter Concert was presented, and guest artist George Gaber, percussionist from Indiana University lent his talents to make the occasion an impressive one.

On March 17, the band participated in the King Co Band Festival, and on April 5, the Bothell High School Concert Band and Choir combined with those of Inglemoor High School to present a joint concert. On April 30, the band participated in the Western Washington Band Contest. On May 20 and 21, the Spring Nightclub was presented, ending the season on a successful note.

Chorus Provides Vocal Training.

The primary purpose of Chorus is that of providing vocal training for the participants. Under the guidance of Mr. Behrens, the chorus learns to understand and appreciate many different kinds of music, as well as to interpret it. The Chorus participates in many of the school functions, including the Christmas Concert, the Spring Nightclub, and the Mid-Winter Concert. This year, Chorus and Choir added their voices to the Homecoming half-time show.

Chorus officers this year were Dave Grieve, president; John Miller, vice-president; Barb Connell, secretary-treasurer; and Beth Grieve, librarian with Wanda Selg assistant.

Cadet Band Develops Instrumental Skills

The Cadet Band contributed much to the over-all quality of the music department. Besides taking part in all of the concerts and other school functions, they marched with the concert band in the half-time performances at the games, and played in the pepbands.

Under the direction of Mr. Ackermann, the Cadet Band gained the unity that is so important to a band.

Officers this year were Mark Talbot, president; Jim Ackermann, vice-president; Gloria Nefzger, secretary-treasurer; Mary Zimmerman, librarian; and Beth Bernhard, assistant librarian.

Sounds and Symbols of Christmas," Bothell High's traditional Christmas Concert was held on December 22. A highlight of the Concert Choir's selections was "The Song of Christmas," narrated by Larry Degraff. "Twas the Night Before Christmas," narrated by Denise Pedersen, was among the favorites played by the Concert Band.

A special feature during the concert was the "Sandpaper Ballet," a modern dance depicting Pinocchio coming to life, danced by Suzanne La Duke, accompanied by the band.

The traditional finale, "Hallelujah Chorus," was performed with the joint effort of the chorus, choir, and concert band, with more than 50 former B.H.S. choir members coming from the audience to join in.

The art department provided the backgrounds for the concert, and the stage crew was responsible for erecting them. Members of Loyalty Club served as hostesses for the evening.

George Gaber,

Performing Artist

On February 16 the Bothell High Music department presented their annual Midwinter concert, "Accent in Rhythm." In accordance with the theme, the music consisted of rhythmical songs, which gave the concert a Latin American flair.

Mr. George Gaber, an outstanding percussionist, lent his talents to the success of the evening, with his solo, "Sonatine for Tympani." He accompanied the Choir in "Alleluia," and performed in the "Death Valley Suite" with the band.

Athletics For 65-66 Come To An End

For a Senior athlete, his last year in High School competition is one of his most cherished memories. For most, it will be his or her last performance before the thrilling yell of a crowd. As history was marked, the Seniors again, traditionally, led the Bothell Cougars with highest standards of good sportsmanship. The continued tradition of winning seasons were also racked up.

Athletics is much more than the KingCo Championship, or the boys who always get recognized by the paper. These are mere icings on the cake. The actual ingredients that make an outstanding cake are often overlooked. The hard-working boys who have to yell from the bench, the sign makers, program writers, assembly workers, and the many, many more people that contribute to the program in various ways are the ones that keep the standards at Bothell so high.

As the '66 graduating Seniors leave, they will always be able to look back on their last wonderful year as being successful, not only by their records, but because they kept the torch of good sportsmanship and pride burning at Bothell.

There is more to the game than the action on the field

The 65-66 Cougar Basketball Team

Another Two Points

Successful, but unsatisfied, the 66 Cougar basketball team and their followers conceded the fact when the season came to an end. Ever since the end of the '65 campaign, when that club lost by two points in the second game of the State tournament with three juniors starting, hopes and expectations had been high.

The Cougs came through with an 18-1 record before tournament play. They easily took the KingCo championship, trouncing everyone exept Mercer Island, who gave the team their only blemish mark.

With Coach Peterson leading the Cougar squad, and consistently stressing tough defense and rebounds, the Cougars found themselves facing Renton for the tournament opener. Leading the whole game, the Cougars had a four-point lead with 25 seconds to play. The Indians caught up, though, and sent the game into over time, ending up the victors after they scored a lay-up with three seconds to go. A mere basket, for the third straight year, proved a hex. The score board read 44-42 at the buzzer. The Indians went on to become the State champions. Trying to set aside their big disappointment, the Cougars came out the second night and led the Garfield Bulldogs for three quarters. With their fine press and quick hands, the Bulldogs caught up and ended up winning by three points, 48-45.

The KingCo coaches and sports writers voted Dick Niemeyer to the KingCo All-Star team for the second straight year. Jay Clark was voted to the second team. Rick Parker was voted team captain, and Brian Jones the most inspirational player for the team.

The J.V. team tied for first with Mercer Island for the league championship. They compiled a 13-2 record. The sophomores placed third in their league.

Win A Little, Lose A Little . . . But Keep Trying.

Not having a winning season in football, is not synonymous with having a wasted season. The rewards that a young man can gain from football are numerous and invaluable. Leadership, responsibility, and discipline are just a few of the lessons learned by these young men as they head toward manhood.

Coach Brommer in his second year as head coach, was stifled by injuries, and shortage of personnel among other problems. Assisting Coach Brommer were Ron Wayman, defense, and head line coach; Mike Hickey, Junior Varsity Coach; and Ted Uerling, Sophomore Coach.

At the end of the season, Les Harmon was named to the All-Conference defensive team. Given honorable mention were Bob Schmidt, Dick Niemeyer, Vern Hicks, Vince Rennie, and Rick Parker.

At the Awards Banquet honoring the football players, Rick Parker was named team captain and Les Harmon the most inspirational player. John Roach received the best blocker award and John Schaaf, the best tackler award. Dick Jones received the coaches' award for the player showing the most improvement.

Headed by Lynn Rice, **(second from right)** Joe Schwann, Mike Mikkelsen and John Seaton served as football season managers.

Coach Wayman

The Cougar Mat men again did their part for Bothell, and like the other winter season competitors, had a winning season.

Going into the league play-offs, Coach Wayman's squad had five boys rated first in their weight divisions. Dennis Wait was the only Cougar to move on from the play-offs.

The team voted Jim Walvatne as the team captain and Bill Backer as the most inspirational player.

Four wrestlers qualified for the district tourney this year: Dennis Wait, 123# (1st in KingCo); Gary Meyers, 136# (2nd in KingCo); Jim Walvatne, 156#, (3rd); and Keith Johnson, 168# (3rd).

At the close of regular play for the season, six men held first or second places in their weight divisions in KingCo standings: Wait, 123#, 2nd; Meyers, 136#, 1st; Randy Engel, 148#, 2nd; Walvatne, 156#, 1st; Bill Backer, 178#, 1st; and Dave Grieve, 194#, 1st.

Spring started late this year, but the Bothell cinder men didn't. New coaches, Mr. Meacham and Mr. McKennon had a crop of seven lettermen and many sophomores to choose from. With a great deal of potential, they only problem the Cougars faced was a lack of depth. Hopes were high as the team worked for the annual KingCo relays and possibly the State meet for some. The KingCo relays were the high point for the whole team during the season.

Under the leadership of Coach Lund, the Cougs started out by winning their first meet, and looking forward to an excellent season. With two returning lettermen and many under classmen, the outlook was good. Goals were set for the final match being the KingCo Tournament Finals.

The Spring Tennis crew, shown below, included Steve Gregory, Ron Smith, Don Marchbanks, Dave Huber, Keith Anklam, Ralph Peterson, Mike Skeen and Stewart Menafee; Joe Schwan, Tim Hicklin, Al Carton, Greg Norling, Duane Petrie, Joe Carlson, Mark Stuvland and Steve Seaton.

Girls Make It 7-3 In Fall

In their first year as a separate sport, girls had a season record of seven wins and three losses. Under the direction of their coach, Mr. Lund, the girls matched with boys to compete in mixed doubles.

Team members included Gail Thomas, Donna Sitts, Delilah Snow, Sue Downey, Barb Landaas, Gretchen Welch, and Nancy Holland.

Take Third

Under the direction of their new coach, Mr. Sullivan, the '65 golf team completed another winning season. Headed by three seniors, Brian Speakes, Pat Sinnett, and Jim Brady, the Cougs finished third in a tough league, with a season record of three wins, one tie, and one loss.

In the final KingCo golf tour, Bothell was aced out of first by only four points, and ended up third. Jim Brady was the tournament medalist.

Gymnasts Take 3rd In State

The 1966 Cougar gymnasts, although under pressure from the previous year, which saw the 65 team take all the marbles and become the Washington State Champions, came through with another successful season. The Cougars' goal was, of course, to try for the top position again.

The Cougs came pretty close to their goal. Compiling a 6-4 record, (three of the defeats being to Junior Colleges and the other by a mere point to Issaquah), the Cougars warmed up for the State meet. The squad compiled 61 points, which was enough for third best in the state. Coach Sullivan piloted an inexperienced group, but with the desire which typifies his teams, they racked up another successful gymnastics season.

Post Season honors went to Ron Street, who was voted team captain. He was second all-around performer at the State meet. Street took second in floor exercise, placing high in all other events. Lonnie French won a second in tumbling, and Bill Spreine was third on the trampoline, at the State match.

Members of the 1965-66 Girls' Gymnastics team worked at mastering novice and junior routines for competition. During the season the gymnasts gained numerous ribbons by placing in events at each meet. The team was led by returning letter winners Gretchen Daiber and Barb Schei, and coached by Miss Bohnen. Other members included Maureen Geiszler, Sandy Hauswirth, Karen Drause, Mary Scott and Delilah Snow.

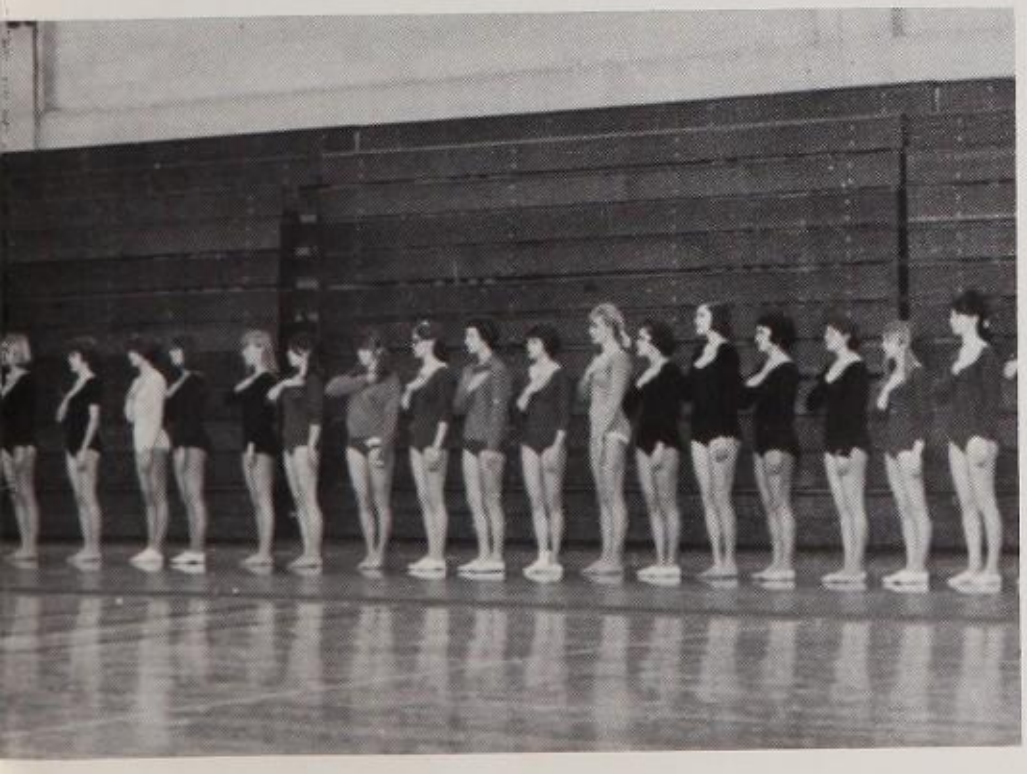
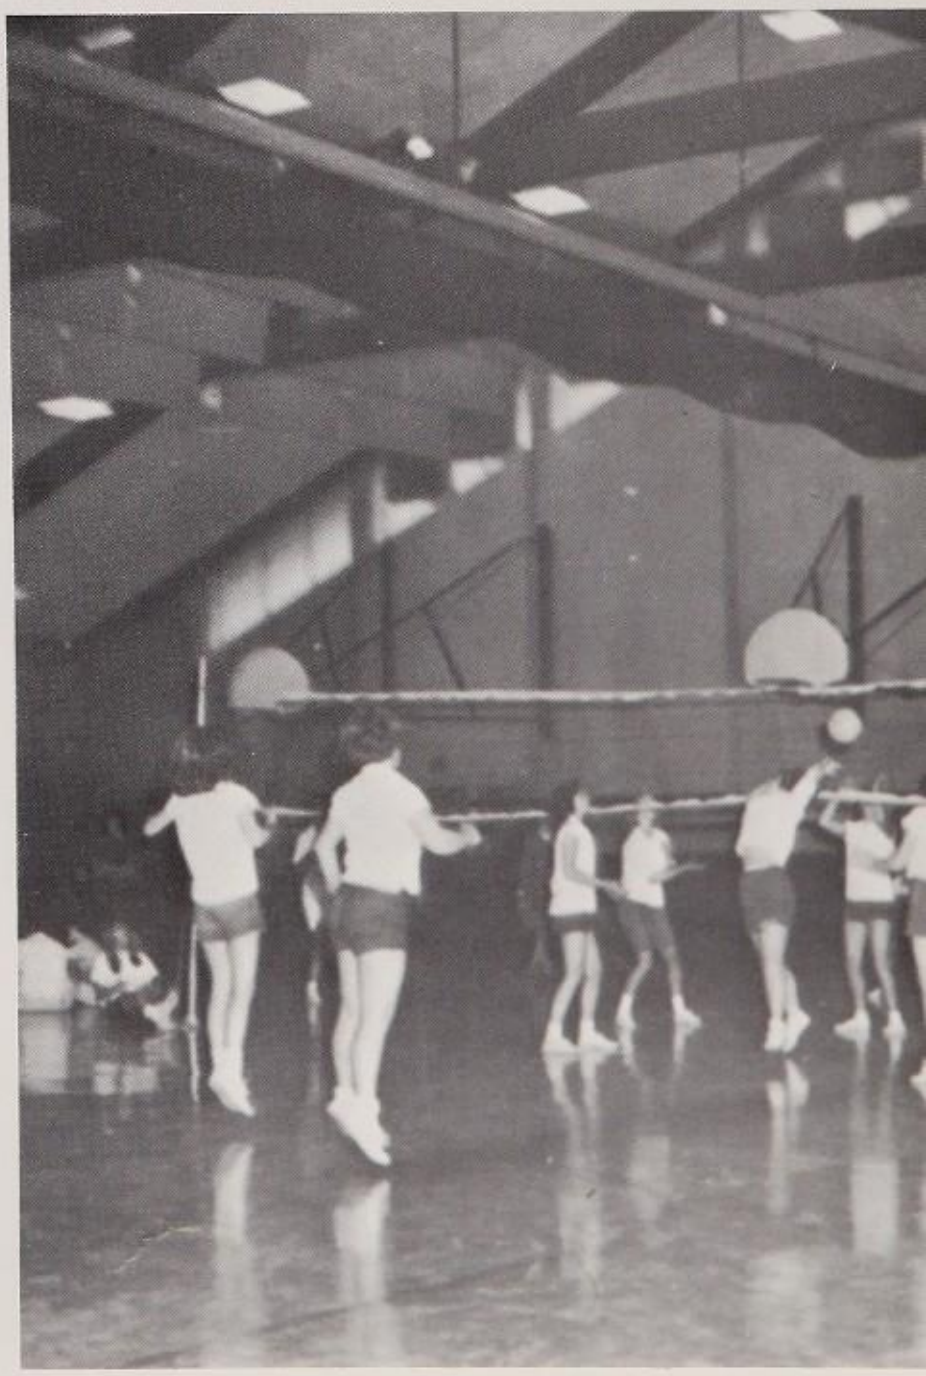
G.R.A. Has Active Year

The Girls' Recreation Association, was very active this year, meeting Monday and Wednesday nights after school. Participation in the G.R.A. enabled the girls to learn cooperation and sportsmanship. Among the activities they took part in were volleyball, basketball, bowling, swimming, badminton, hiking, and sports days. A Spring outing was also planned.

This year the Girls' Recreation Association was under the leadership and direction of President Nancy Holland and Advisor Miss Bohnen. The other officers were Delilah Snow, vice president; Sharon Ormbrek, secretary-treasurer; Merry Dean, historian, and Penny Mack, Legislative Council Representative.





Debbie, you know I guess we've got something in common; History class; well at least we used to. Anyway I hope we're in some of the same classes again next year. So good luck for now; and who knows, maybe we will get to share some teachers together again next year. Steve Manbeth

The 1965-'66 School Year Has Ended, But . .

The search does not end with Graduation. It is ever present, for life must continue, and with it, the continuous search for knowledge, for peace, for identification.

The school year 1965-1966 has been a memorable one. It has had its high points and its low. This year was an especially rough year on the annual staff. Due to the split between the two schools, Bothell lost its photographers to Inglemoor, and while new recruits were being trained, it became the editor's task to take pictures. Armed with a minimum of knowledge, the staff took pictures and the deadlines were met.

A very special "Thank you" goes to Mr. Dave White of Bert Perler Studio in Tacoma for being so cooperative about taking so many of our pictures for us. "Thank you's" also go to Mr. Bert Perler of Tacoma for letting us rely on his studio for so much; Mr. Jim Palm of American Yearbook, who put up with our "organization"; and to all of my teachers, who were so very understanding about the time I took away from class when problems arose.

We would also like to express our thanks to the Hudson Bay annual staff for sending us pictures of our game there; to Mr. Josef Scaylea, head photographer on the Seattle Times for the lovely picture on this page; to the Northshore Citizen; the Northshore News; Boldman Studios; the Department of Commerce and Economic Development in Olympia; and our very kind advertisers, without whom this book would not be possible.

A very big "Thank you" goes to Mrs. Wallis, without whom this book and the editor would not be possible.

Now, as the seniors turn to other paths that will continue their search, we leave more wonderful years to those classes to follow. May their search be as rewarding.

Linda Wallis

1966 "Cougar"

you this year. Through skiing and all. Hope to see you next year & best wishes for the future. Love, Nancie Parks

The 1965-'66 School Year was Endal, But... Not a very fitting ending. It doesn't tell about all the wonderful things we had, or how much you meant to me, or how much confusion there is around here or all the people that wrote on my page. Things have changed to a degree since I cont.

Debi

Well we both made it thru Astronomy even if it was kind of tryeng Well it looks like now yours almost a Junior (lucky you) I hope ya have a wonderful summer and take it easy cause it won't last long. Good luck always and always stay as sweet as ya are

Love Your friend always

I was
Debi!

Deb,
Have fun this
Summer, & Good
Luck. You'll like being a
Junior better than being a
Sophomore! I'll guarantee it. But
it's a h... of a lot harder too.
Marilyn Kiste

Well, Gee, I hope
we have as much
fun as we did this
year. Did you get
on Big Chair? I
never did. But
I really liked
Debi, doing it.

Debi,
You were terrific in French
using the wonderful things you
learned from McCulley! Next
year I hope to see you in
bowling and keep up the average
this summer. I think Dick is
the I-Dar is cool too. Best Wishes.
with many stops.
Bethel stop.
so save your money
have to blue
I'll see you
shiney!
Love,
Jenna

I'll remember you with
Freddie 'cuz that who I remember
most when I first came to Bothell.
Gymnastics was fun this year and
I'm glad you and Earlene could
join us 7th period. You a great
sport in gym and a good student.
Best of Luck always
Moe

Hey, Mr. Amazing
Mr. Amazing is gonna a will
you this year and I hope we will
se together some time next year.
Yourie really a smart kid so
next year that way.
please stay that class always
Good luck always
Mel

Debi,
It's been a ball
having lunch with
you & mary. See
you next year!

It's been a real fun year. Have a great summer!
See ya next year!
Bama

Debi,
I hope you and ---
have fun this summer. You
really a nice person to know, hope
I see ya next year.
Love Pam

Debi,
It's been fun in
history, (sometimes french)
but I'm sure glad
White is leaving so
we won't have him
in our Senior year.
Good luck & have
fun this summer.

Hi Debi ... Debi, this has been
You shouldn't waiting
cause I get nervous (Nervous mistake)
Well another year
go, right? When we're seniors well slumber
boy, won't we - we'll be big and tough and
wear all the little freshmen who inevitably
will be up here ... anyway we are cool?
Yeh we are - ... you like ... anyway, we are cool? I'll see
you next year. ... (sic) hall (Hurd word) I'll see
